Sir:

Concurrently with the application/formal drawings submission herewith, Applicants submit three (3) copies of the color photographs which comprise Figures 4A and 4B of the drawing, in compliance with the provisions of 37 C.F.R. § 1.84(a)(2). Also included is the requisite petition fee set forth in 37 C.F.R. §1.17(h), and one black and white photocopy of the color photographs. It is believed that color drawings are necessary to accurately and completely show the expression of the Gus gene in constructs of the present invention.

If any additional fees or overpayments are noted, the same should be charged or credited to Deposit Account No. 02-2135. One additional copy of this Petition is enclosed.
